We'd like to thank you in advance for considering a basket raffle sponsorship for K9 Cash's 3rd annual 5k Walk/ Run

The K9 Kop Project has been working with K9 Units in areas like yours to help them obtain much needed supplies as well as helping educate the public on the importance of K9 Units in the community.

Shortly after our first community donation, the purchase of K9 Remi for the Allentown Police Department in Allentown PA, word got out and we have become inundated with requests for assistance from police K9 units from states across the U.S.

Just a few of their needs include:

- K9's
- training
- bite suits
- bullet / stab proof vests
- vehicle equipment such as inserts, safety software and complete overhauls

Throughout the year we attend countless events and meetings to help gain support for our cause and in 2017 we started a signature yearly event called the East Coast K9 trials where we invite K9 officers (called handlers) and their K9 officer partners to compete against each other.

This fun filled day allows the public to come and watch the competition, meet and greet officers and their partners while the community puts a special emphasis on spoiling the competitors with food/gifts and awards.

In 2019 we **embarked** on a new series of events that include both K9 Lovers and health enthusiasts in a 5k K9 Walk Run and we hope you'll join us in this fun filled event.

Currently our website www.k9kopproject.com is getting a completely new design and we encourage all of our followers to "like" and follow us on Facebook at <https://www.facebook.com/K9KopProject>.

Please feel free to reach out to me with any questions you may have about our non-profit and our endeavors, in addition, we are available for in-person meetings at your convenience.

Warmest Regards
