PRESS RELEASE

On Thursday, March 26th, Lehigh Township Police conducted a Motor Carrier Enforcement Detail on Route 946. During the detail the police conducted eight safety and weight inspections. Police issued traffic citations for five overweight vehicles with total fines in excess of \$10,000.

The enforcement detail was conducted along Route 946, in part, due to numerous complaints of aggressive driving by the commercial vehicles, as well as significant damage to roadways caused by overweight loads.
