Resolution of Fund Commitment Resolution 2023-8

The Lehigh Township Board of Supervisors created a Capital Reserve Building Fund for the purpose of developing savings for site improvements and a new Public Works Facility. By creating the Capital Reserve Building Fund, the money deposited in this account is removed from the General Funds of the Township, making it inaccessible for day to day operations of the Township, as provided for in Section 1508 of the Second Class Township Code. This section states that the funds that are deposited in a Capital Reserve Fund shall not be used for no other purpose than what the fund was created for.

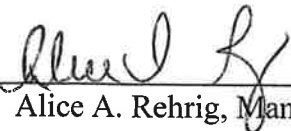

The total Capital Reserve Building Funds saved to date are \$1,169,000. These funds have been deposited into the following accounts:

Neffs Bank Account # 3093795	\$	6,300.00
PLGIT Account # 00003791057	\$	1,162,000

Hereby resolved this 9th May, 2023, by the Lehigh township Board of Supervisors of Lehigh Township to abide by Second Class Township Code Section 1508 requiring these funds to be set aside exclusively for the purpose of performing site improvements and construction of a new Public Works Facility.
